DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-10, and 12 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Independent claims 1 and 12 are allowed because after an update search is conducted, no prior art either alone or in combination teaches or suggests receiving a handover history from the mobile station, said handover history identifying origination and destination base stations of previous successful handovers of the mobile station, and in combination with all other limitations as recited within claims. The Examiner also allows for the same reasons set forth in Remarks dated July 03, 2006 and Pre-Appeal Brief Request filed September 01, 2006.

Claims 3-10 depend either directly or indirectly upon independent claim 1. Therefore, they are also allowable for at least the same reasons set forth above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
